- Half on the middle bay means we are not allowed near the curtain towards the basketball/front bay (there is either a basketball game or practice in progress)
- N/A means that Clarkstown does not have that bay
- Schedule changes daily, please take note of times! We've had complaints about our coaches not noting the times vary on the front and middle bays
- We **cannot** be in the field house **before** 5:45 for 6pm practices and 6:15 for 6:30
- College events take precedence over all outside groups, if fieldhouse is needed we will be informed and practice cancelled
- If classes are cancelled because of weather, the field house is also closed
